

So that we may be able to communicate with you better we have subscribed to 'School Life' the leading schools' communication platform.

To activate this free service;

Step 1

first you need to access the schools' website;

<http://brockmoor.sch.life>

Step 2

Once there, click on the 'Login' tab (if you are on a mobile device, you need to tap the menu icon first) and login with your child's details:

Step 3

Once you have logged in you will be presented with your child's 'Account' screen. From here you will see who is able to retrieve the schools' communications via the 'Parent/Guardian account' section if you see anything incorrect please contact the school office.

If your name is listed there, go straight to section 5 below, if your name is not there click on the 'Add a Parent/Guardian account' button.

Step 4

From the following screen click on 'New Parent/Guardian' button and fill in all your details (please note the email address is important if you wish to receive school letters and newsletters, it is also required to reset your password if you forget it).

You can choose your own username (depending on availability) and password (must be between 6 and 20 characters long).

Step 5

download the 'School Life' app (there is a link at the bottom of the school website to download the app or on your smartphones app store, search for 'School life official' and look for the following logo;

Login to the app using your existing details or the details you created in step 4 and start receiving all school communications.
