BROCKMOOR BUGLE

ISSUE NO. 3

FRIDAY 22ND OCTOBER

MESSAGE FROM THE HEADTEACHERS

What a fantastic first half term it has been at Brockmoor.

There has been so much to celebrate over the past few weeks, both in the classroom and through the wider experiences children have enjoyed. From Condover Hall and our practical Design and Technology work to Greek Day, Forest School and everything happening in between, it has been brilliant to see children learning, growing in confidence and taking such pride in school life.

We finished the half term on a real high with Aspiration Day. It was wonderful to see so many children, and members of staff, dressed as something they might like to become in the future. More importantly, it gave us the opportunity to talk to children about their ambitions, the possibilities ahead of them and the importance of working hard for the things they want to achieve.

That is exactly what our ASPIRE values are about. We want children to leave Brockmoor believing that they can reach their goals. We want them to have big dreams, develop the confidence and independence to pursue them and understand that ambition, perseverance and hard work really do matter. The photographs from Aspiration Day capture that brilliantly.

It has also been an incredibly significant half term for our school following our recent Ofsted inspection. We are still waiting for the final report and, as soon as we are able to share it, we absolutely will. Until then, we simply want to say again how proud we are of our children, staff and whole school community.
Thank you for everything you have done to support us since September. We hope all of our children, families and staff have a really enjoyable and restful half-term break. Everyone has certainly earned it.

We look forward to welcoming the children back refreshed and ready for another exciting half term.

YEAR 6- COOKING

Year 6 pupils have been developing their culinary skills by preparing burritos, flatbreads and hummus. They have thoroughly enjoyed these practical lessons and the opportunity to learn and develop new cooking techniques.

GREEK DAY

Year 5 travelled back in time to Ancient Greece, playing games, taking part in our own mini Olympics and discovering fascinating myths and legends. We also learnt about ancient battles and the armour worn by Greek soldiers. It was a fun-filled day of history and discovery!

NEW AFTER-SCHOOL CLUBS

New after-school clubs will be available after half term! Details of when bookings open will be sent via Arbor.

Please note, all current club bookings will end, and children will need to be booked onto new clubs. Existing bookings will not automatically carry over.

REMEMBERANCE DAY

ATTENDANCE MATTERS

School starts at 8:40AM and ends at 3:10PM. Please ensure your child attends school promptly every day. Only 40% of persistently absent children will meet their expected standards by the end of Key Stage 2, compared to 84% of children with regular attendance who will likely meet their expected standard.

Report your child's absence to our office team by contacting us on 01384 816635.

THIS WEEK'S ATTENDANCE WINNERS ARE:
